Dear Joe:

***Congratulations!*** You have been chosen as Associated Builders and Contractors (ABC)'s Craft Professional of the Month for December 2005. This is indeed an honor and you should be proud of your accomplishment. Not only did your company feel that you were worthy of this honor, but also other leaders in the industry. Included with this letter is your plaque.

Twelve Craft Professionals of the Month will be chosen in 2006. From this group four finalists will be selected and from the four finalists a 2006 Craft Professional of the Year. This exciting announcement is made at our annual Excellence in Construction (EIC) awards banquet. By winning in February, you are now eligible for this honor. All our Craft Professionals will be recognized during our EIC awards program and presented with a Craft Professional shirt. Our four finalists receive a gift certificate from Home Depot and our winner an attractive leather bomber jacket.

In early October both you and your company will receive an invitation to our EIC awards program plus an application for the National Craft Professional competition. We strongly urge your company to enter you in the National competition; you do not need to win locally to be eligible. We are proud to have three national winners from our chapter. Also included with your invitation will be instructions outlining your part in the Craft Professional awards segment of the program.

***Mark your calendar now:  
Excellence in Construction Awards Banquet  
Thursday, November 16, 2006***

Again Congratulations from ABC and Good Luck in the Ohio Valley ABC's 2006 Craft Professional of the Year competition.

Sincerely,

Felicia A.M. Bryan  
Director of Finance and Administration
