*FOR IMMEDIATE RELEASE*

Carlisle Syntec Awards Holland Roofing SPD with Hall of Fame Award for 250 Perfect "10" Roof Installations

Milford, OH – March 15, 2006, Holland Roofing SPD (Specialty Projects Division), was recently recognized by Carlisle Syntec as a Hall of Fame Member for 250 to 499 Perfect 10's. As an authorized Carlisle applicator, Holland Roofing SPD qualified as a Hall of Fame Member when they completed a minimum of 250 "Perfect 10" roof installations. Nearly 180 Authorized applicators have attained 250 status.

Authorized Applicators must maintain their knowledge through Carlisle's continuing education program, and stay current on the latest technology and procedures from Carlisle. In addition, Carlisle Authorized Applicators must demonstrate sound financial integrity.

Holland Roofing SPD provides commercial roofing services to the local construction markets. Holland Roofing SPD's ability to deliver and complete projects quickly and efficiently is achieved by our vast equipment inventory, over 75 years of experience in the roofing industry and our quality personnel.

The Holland Roofing Group specializes in commercial and industrial roofing applications for new construction, re-roofs, maintenance and repair. The Holland Roofing Group has additional offices in the Midwest & Southeastern regions of the United States.
