

Greg Jones
Holland Roofing of Columbus Inc.
7030 Huntley Road, Suite D
Columbus, OH 43229 United States

Dear Greg:

Quality products installed by skilled contractors are the foundation of Firestone Building Products' success in the commercial roofing industry. We are pleased to recognize Holland Roofing of Columbus Inc. for its commitment to quality with the 2006 Firestone Master Contractor Award and the Inner Circle of Quality Award.

This year marks the fifth time your company has achieved the Firestone Master Contractor distinction. Firestone annually awards Master Contractor status based on Quality Points received for exceptional inspection ratings and the total square footage for all Firestone Red Shield warranted RubberGard™ EPDM, UltraPly™ TPO and Asphalt-based roofing system installations completed the previous year.

Your company's dedication to long-term quality earned the added merit of the Firestone Inner Circle of Quality Award. The 2006 Inner Circle of Quality Award was presented to 138 Master Contractors who installed a minimum of four warranted Firestone roofs in each of the past five years, maintained at least two million square feet of Firestone roofs under warranty, and achieved an annual Quality Incidence Rating (QIR) of 2.0 or less. Firestone's recently created QIR measures each contractor's quality performance based on warranty repair incidences per million square feet under warranty.

Firestone values the strong partnership we share with Holland Roofing of Columbus Inc., and we are grateful for your company's hard work and dedication to installation excellence. On behalf of everyone at Firestone Building Products, I would like to extend our congratulations and best wishes on your continued success.

Sincerely,

A handwritten signature in black ink that reads "Michael K. Gorey".
