Dear Randy:

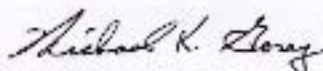

Firestone Building Products Company, LLC is honored to recognize Holland Roofing of Louisville Inc. with the 2008 Firestone Master Contractor Award and the Inner Circle of Quality Award. The Master Contractor Program, one of the most coveted distinctions of its kind, celebrates an elite network of commercial roofing contractors for their commitment to installation excellence.

This year marks the ninth time your company has been named a Firestone Master Contractor. Firestone annually awards Master Contractor status based on Quality Points accumulated for exceptional inspection ratings and total square footage for all Firestone Red Shield warranted RubberGard™ EPDM, UltraPly™ TPO, UNA-CLAD™ metal and asphalt roofing system installations completed the previous year.

Holland Roofing of Louisville Inc. also has earned the Firestone Inner Circle of Quality Award for the third time. The award is presented to Master Contractors who installed a minimum of four warranted Firestone roofs in each of the past five years, maintained at least two million square feet of Firestone roofs under warranty, and achieved an annual Quality Incidence Rating (QIR) of 2.0 or less. Firestone's QIR measures each contractor's quality performance based on warranty repair incidences per million square feet under warranty.

Firestone treasures its strong partnership with Holland Roofing of Louisville Inc., and appreciates the extraordinary workmanship and dedication your company has shown. It is with great pleasure that we extend our congratulations and best wishes on your continued success.

Sincerely,

Michael K. Gorey
